Well; hello; people I don't recognize.

dragontalons567

Um, hey.
I'm Corvus, I took a glance at the front page of the forums because i've been gone for the longest time for a undisclosed reason. I was wondering, is anyone I remember still here?

Best regards.

Glad to know you guys are still here @Ketchup, Swampy, Ish, Fairydragon, Autumn, Moonflight, Periwinkle, and Corey.

Though I might not remember you, I look forward to speaking with you @Jim, Cleverking, and Lily.

I plan to be a little more active here, despite how much I say that and not follow through.

Wow, I have *no* idea who you are! Sorry dude!

holds hand out Name's Drago. DragonMind Firebender, actually, but hey. Nicknames are cool, right? My flipside and fictional elder sister is SnakeHeart91, Marissa Diamond. But call her Mari unless you want her to bite you and inject venom into your arm. Heh heh, long story. ^^;

Nice to meetcha!

@Jade! It has been too long. Any new Rps in the works?

My, my, it is a pleasure to meet you @Drago. I suppose it's my fault if I need to introduce myself more. Regardless, my name's Corvus; and/or Munchi; it's close to my 1-year mark on the forums as of now. I don't have any flipsides, unless you count CorvusVMunchi.

It's good to see you @Tiger.
